

**2010 TD Bank Beach-To-Beacon 10K
Fundraising Race Application**

Thank you for your interest in obtaining a 2010 TD Bank Beach to Beacon race registration through fundraising for Maine Handicapped Skiing (MHS). The race organizers have reserved these slots for us to purchase and use for annual fundraising in support of our organization’s mission, and we are honored to have you on Team MHS for this year’s race.

To assert your interest in securing a place in the race through MHS, we are asking for an upfront investment of \$50 to help cover our costs associated with your registration and shirt order. We are also asking you to commit to donating and/or raising another \$450 or more for MHS by the date of the race, August 7th. More information about MHS programs and what this funding supports is available on our website at www.skimhs.org. Donations to MHS are tax deductible and all donors will receive letters which recognize the donation for tax purposes.

As a “fundracer” who participates in this opportunity, you will receive a Team MHS racing singlet and a firstgiving.com fundraising web page. This site is easy to set up and access and allows you to fundraise on-line securely via email, in addition to any in-person fundraising.

Please complete this application, and return it to our office as soon as possible to secure your registration spot. You will be contacted expeditiously with notification that your application and registration has been approved and your spot secured. We appreciate your interest in supporting Maine Handicapped Skiing!
